**To: The Clerk of the United States District Court for the Northern District of Illinois.****THE DEFENDANTS NOTICE OF REMOVAL, AMENDED**

**Invoking 16 Am Jur2d, Sec 177 late 2d, Sec 256** "The United States Constitution is the Supreme Law of the land, and any Statute to be valid must be in agreement it is impossible for both the Constitution and a law violating it to be valid. The Constitution must prevail." **See Article 6 Paragraph 2** of the U.S. Constitution "The Supremacy Clause". **See Marbury v Madison 5 U.S. 137.** Invoking Common law. Invoking "Selective Incorporation", the Bill of Rights apply to the States. Good Cause Shown.

Patrick James McPartlin, the defendant, a natural man, hereby removes this case from the 18<sup>th</sup> Judicial Circuit Court, County of DuPage Illinois, to the United States Northern District Court, Chicago Illinois, pursuant to U.S.C. section 1443.

- 1- The pending action in case # 2023M000635, the Municipality of Burr Ridge, Illinois must be reviewed by the United States District Court due to several conflicts between the State Statutes and The United States Constitution, and Federal law.
- 2- Violation of my **5<sup>th</sup> amendment right of Double Jeopardy**. Jill Otte, the presiding judge in this case erroneously and arbitrarily, thru negligence issued a Mittimus Failure to Post Bond warrant on June 16<sup>th</sup>, 2023 at 11:47am (**see attachment exhibit "A"**) for nothing. Jill Otte issued the initial Mittimus bond for \$5,000 on May 24<sup>th</sup>, 2023 at 10:33am (**see attachment exhibit "B"**) for a supposed failure to appear. Against my consent under duress, I served the 17 days to pay off

the unlawful bond. Instead of being released, jill Otte issued the second bond on June 16<sup>th</sup>, 2023 at 11:47am for \$3,000 for no reason. She claimed failure to appear but I already served out the unlawful \$5,000 bond for that unlawful claim. The municipality of Burr Ridge Illinois, made me serve time for the same offense TWICE! That's double jeopardy. 5<sup>th</sup> Amendment violation.

There is no good faith here, jill Otte is deemed to Know the Law, see Byars v United States 273 U.S. 28 (1927). "Judges are deemed to know the law, and they lose any immunity when violating the law, the constitution". This is also a violation of my first amendment right to life, liberty, and the pursuit of happiness. My 8<sup>th</sup> amendment right against excessive fines and cruel and unusual punishment. And my 13<sup>th</sup> Amendment right to not being compelled into slavery, SEE Matthews Vs Wright 209 VA 246 163 2d 158, "imprisonment for failure to pay costs constitutes involuntary servitude." My 14<sup>th</sup> amendment right to equal protection under the law.

- 3- The Statute mentioned 720 ILCS 5/110-14d is not in agreement with the law, none of the statutes from Burr Ridge Illinois have been in accordance with the law, Under every statute there is a law that comes with it at the bottom of the statute (P.A. for Public Act or P.L. for Public Law). This law/act and the statute must be in agreement and they are not in agreement. This makes everything null and void pursuant to the law of voids.
- 4- No Cause of action for which relief can be granted. No proof of subject matter jurisdiction on the court record. Subject matter jurisdiction cannot be waived. Discrimination, Malfeasance, nonfeasance, Bias – They keep calling me a "Sovereign Citizen" which is erroneous and arbitrary HOW DARE THESE UNCONSTITUTIONAL PUBLIC SERVANTS CALL ME ANTI GOVERNMENT!!!!!!!!!! I'M PRO GOVERNMENT!!! That's why I'm standing up to them!! This has been a major issue in this frivolous case. They can't ever prove I am anti Government. I can prove they are though. I am with "THE EDUCATION OF LAW MOVEMENT" DEFINITELY not A "SOVEREIGN CITIZEN". Also Forcing a PD on me against my consent. I choose to not be involved with the bar association. see Murdoch v Pennsylvania 319 U.S. 105 "No state can convert a secured liberty into a privilege and issue a license or fee for it." I have a **first amendment** right to work and choose the profession of my choice without being licensed or charged a fee. I'm being discriminated against for not being or hiring a bar member. It doesn't matter if I'm a bar member or not, THE LAW IS THE LAW AND IT MUST BE OBEYED BY EVERYBODY, **see rule of law**.

3

For these reasons, and the fact that I feel I have no chance for a fair an unbiased trial against, out of control, public servants, this case must be moved to Federal court so these conflicts can be straightened out by a federal judge.

Please forgive any spelling or grammar errors.

Thank You,
